6th CIVICUS WORLD ASSEMBLY

ACTING TOGETHER FOR A JUST WORLD

CIVIC JUSTICE ECONOMIC JUSTICE POLITICAL JUSTICE SOCIAL JUSTICE

The CIVICUS World Assembly is the leading venue for hundreds of civil society practitioners, researchers, activists, concerned business leaders and government representatives to discuss the important victories they have achieved in strengthening citizen engagement and civil society world-wide, and the critical challenges they and their societies are facing.

Be there to share the platform with high-profile speakers and grassroots activists from all over the world.
